

## Attestation of Conformity

according to EU-directive

Components and protection systems for application in  
explosion hazardous areas as per 2014/34/EU

Manufacturer	<b>MULTI-BOX GmbH</b>
Description/type	<b>Empty enclosure for EX-Application</b> Type MBP .....
Certifying body	<b>IBExU12ATEX1180U</b> <b>IECEX IBE 14.0018U</b> IBExU Institut für Sicherheitstechnik GmbH Fuchsmühlenweg 7 D-09599 Freiberg/Germany

were designed and manufactured in accordance with the below mentioned EU-directives under the sole responsibility of:

**MULTI-BOX GmbH**  
**Wallücker Bahndamm 7**  
**D-32278 Kirchlengern**

The following harmonized directives have been applied:

DIN EN IEC 60079-0:2019 (VDE 0170 Part 1)	Explosive atmospheres - Part 0: Equipment - General requirements
DIN EN IEC 60079-7/A1:2018 (VDE 0170 Part 6)	Explosive atmospheres - Part 7: Equipment protection by increased safety „e”
DIN EN 60079-11:2012 (VDE 0170 Part 7)	Explosive atmospheres - Part 11: Equipment protection by intrinsic safety „i”
DIN EN IEC 60079-31:2026 (VDE 0170 Part 15-1)	Explosive atmospheres - Part 31: Equipment dust ignition protection by enclosure „t”

The technical documentation is available from the manufacturer and an assembly and operation instruction is supplied with the enclosures. General safety instructions have to be obeyed. This declaration certifies the conformity with the above mentioned directives.

Kirchlengern, 14.04.2026

Ronny Hamann  
ATEX-Beauftragter
