„Registration, Evaluation and Authorisation of Chemicals“

Status as a Manufacturer of Articles

MULTI-BOX GmbH is committed to its responsibilities under the REACH regulation. According to REACH definitions, our products are classified as **articles**. Since these articles do not release any substances under normal or reasonably foreseeable conditions of use, they are **not subject to registration** pursuant to Art. 7 (1) of the regulation.

Substances of Very High Concern (SVHC)

In accordance with Article 33 of the REACH Regulation, we confirm that all MULTI-BOX proprietary and standard products comply with the requirements of the regulation. To the best of our current knowledge, our products do not contain any substances from the **currently valid Candidate List (SVHC)** in concentrations exceeding 0.1% by weight (w/w). All necessary measures and supplier communications are strictly maintained.

Customer-Specified & Provided Components

For any third-party products or components specified or provided by the customer for assembly by MULTI-BOX GmbH, the customer assumes sole responsibility for ensuring REACH compliance and fulfilling all related information and documentation requirements.
